Re: Notice of File Closure for Small Mining Activities, Vernon Brown, S/045/039, Tooele County, Utah

Dear Mr. Bland:

This letter is to notify you that file #S/045/039, for the Vernon Brown project, located in Section 36, T8S, R5W, Tooele County, Utah, will be retired from our files.

The Division recently inspected the project area and found there was either no disturbance or that the surface reclamation was satisfactorily reclaimed. The Division hereby closes and retires this file; thereby releasing you from any further mining or reclamation responsibilities at this site.

While in the area, Division staff tried to reach your Black and Cream Marble site located in Utah County, but with the recent rains and muddy roads, we could not access the site. We will try to reach this site later this spring to determine if release of this site can also be accomplished.

If you have any questions or concerns regarding this letter please contact me at (801) 538-5310.

Sincerely,

A handwritten signature in black ink, appearing to read 'Lynn Kunzler'.
